**Primary natural gas appliance solar unit(s) is (are) supporting:**     **Water**     **Space** (see 5 below)

**Acceptance of Terms** – I hereby certify that all information is accurate, including claims of customer and equipment information. I hereby acknowledge and agree that I have read and agree to be bound by all terms and conditions on the second page of this form and the representations made herein, and acknowledge that Southwest Gas Corporation may verify any or all of the information provided.

**Customer Signature** \_\_\_\_\_ **Date Signed** \_\_\_\_\_

1. If the installation is for more than one home in a subdivision, please provide a list of all addresses and submit electronically to Southwest Gas email address, star@swgas.com.
2. A list of certified systems and collectors is available on the Solar Rating and Certification Corporation (SRCC) website at www.solar-rating.org.
3. Please refer to the program limitations in the Terms and Conditions on page 2 when filling out this application.
4. Refer to the SRCC rating to estimate the annual Million British Thermal Units (MMBTU) saved.
5. Solar assisted natural gas water and space heaters must be installed for the express purpose of supporting a new or existing natural gas appliance such as a storage water heater or space heater.

*See page 2 for Terms and Conditions*

## Terms and Conditions

- All qualifying equipment must be installed in a Nevada residential customer home receiving natural gas from Southwest Gas. **Rebates are limited to new equipment only; leased, used, or rebuilt equipment is not eligible.**
- All installations must be performed by a licensed solar thermal contractor.
- Rebates are limited to no more than **one (1)** of each type of qualifying equipment per premise and/or address up to the maximum of \$4,500. (Note: one customer address may utilize more than one collector for space heating applications.)
- **Builders** will be required to provide a W-9 tax form and Southwest Gas Supplier Profile Form 188.0 before payment can be authorized.
- Offer is valid on qualifying energy-efficient equipment purchased between **November 1, 2009 and November 30, 2011**, or until funds are no longer available, or until program is discontinued, whichever comes first. All applications must be post marked by December 15, 2011.
- Qualifying solar water heating systems must be SRCC OG-300 certified.
- Qualifying solar space heating systems must have collectors that are SRCC OG-100 certified.
- **A copy of the dated sales receipt and/or work invoice must be submitted with this application.**
- **Sales receipt and work invoice must include purchase date, manufacturer name, model number, SRCC number, and the date of installation.**
- **The estimated energy savings information found with the SRCC rating is required with this application.**
- Do not include this application with your utility bill.
- For questions regarding rebate status, please contact Southwest Gas at **1-800-654-2765**, Monday through Friday 9 a.m. to 5 p.m.
- For more information, to verify eligibility, or confirm products, visit **www.swgas.com**, **www.solar-rating.org**, or contact Southwest Gas at **1-800-654-2765**.
- Customer must completely fill out and sign the application.
- Southwest Gas reserves the right to **verify both the certification and installation of equipment prior to issuing rebates.**
- Southwest Gas is not responsible for items lost or delayed in the mail, or any rebate delayed due to incomplete or incorrect rebate applications.
- Southwest Gas is not responsible for any taxes that may be imposed as a result of your receipt of any rebate from Southwest Gas.
- Offer not valid with other utility rebates for the same end-use product.
- Southwest Gas does not make any warranty, express or implied, or assume responsibility for the accuracy, completeness, or usefulness of any information, estimated savings, and benefits attributed to the products that qualify for this program. Reference to any specific product, project, or service by manufacturer, trade name, trademark, or otherwise does not constitute or imply its endorsement, recommendation, or favoring by Southwest Gas. Southwest Gas is not responsible if your retailer or contractor provides inaccurate information about the amount and/or conditions of the actual rebate and Southwest Gas will not pay rebates for equipment that is mislabeled or misrepresented by dealers regarding rebate qualifications.

## Application Instructions

1. **Purchase** a qualified product. Visit [www.swgas.com](http://www.swgas.com) or call 1-800-654-2765 to find out what products and services qualify.
2. **Complete** all the information requested on the application.
3. **Review** and sign the Acceptance of Terms on page 1 of the application.
4. **Include a copy of your most recent monthly Southwest Gas bill to expedite the application processing time.** Include a copy of proof of purchase. Proof of purchase is a sales receipt and/or work invoice that includes all of the following information:
  - a) Retailer and/or contractor name, address, and phone number
  - b) Itemized listing of manufacturer, SRCC number, model number, quantity, and other identifying information as appropriate
  - c) Contractor solar thermal license number
  - d) Purchase date and price
  - e) Product installation date, if appropriate
5. **Submit** the completed application and all required materials by mail, email, or fax to:

Southwest Gas Corporation  
Conservation and Energy Efficiency (LVB-105)  
P.O. Box 98510  
Las Vegas, NV 89193-8510

Fax: 702-873-3820  
Email: [star@swgas.com](mailto:star@swgas.com)
6. **Allow** approximately eight (8) weeks from receipt of completed application, including all purchase receipts, for rebate check to arrive.

*See page 1 for application*
