Instructions

If you receive dividend payments, you may use this form to request that Southwest Gas Corporation (SWG) withhold Federal income tax. You are not required to have Federal income tax withheld from these payments. Your request is voluntary.

How Much Can I Have Withheld? You may choose a federal tax withholding rate of 7%, 10%, 15%, or 25% from each payment, but no other percentage or amount.

What Do I Need To Do? Complete lines 1-5; select only one percentage rate to be withheld, sign, date, and return this form **to SWG Shareholder Services Department, P. O. Box 98511, Las Vegas, NV 89193-8511** not to the IRS.

Line 3. If your address is outside the United States or its possessions or territories, enter on line 3 the city, province or state, and name of the country. Follow the country's practice for entering the postal code. Do not abbreviate the country name.

Line 5. Check the box to indicate the percentage (7%, 10%, 15%, or 25%) you want withheld from each payment.

Line 6. How Do I Stop Voluntary Withholding? If you want to stop voluntary withholding, complete a new Voluntary Withholding Request Form. Complete lines 1-4; check the box on line 6, sign, date, and return this form **to SWG Shareholder Services Department, P. O. Box 98511, Las Vegas, NV 89193-8511** not to the IRS.
