

Schedule No. GS-11

RESIDENTIAL AIR-CONDITIONING GAS SERVICE

APPLICABILITY

Applicable to gas service to customers which consists of direct domestic gas usage in a residential dwelling for air conditioning in conjunction with space heating, cooking, water heating, and other residential uses. This schedule is available as an option only to primary residences with installed natural gas air-conditioning systems for customers who would otherwise receive service pursuant to Schedule No. GS-10, Residential Gas Service.

TERRITORY

Throughout the Company's Southern California service areas, except as may hereafter be provided.

RATES

The commodity charges and basic service charge are set forth in the currently-effective Statement of Rates of this California Gas Tariff and are incorporated herein by reference.

The Tier I and summer season Tier II daily quantities in therms for all individually-metered residential uses are:

Climate Zone	Summer Season (May – October)		Winter Season (November – April)
	<u>Tier I</u>	<u>Tier II</u>	
Barstow	.39	.16	1.71
Needles	.26	.10	0.92
Victorville	.59	.10	1.91
	Summer Season (June – September)		Winter Season (October – May)
Big Bear	.53	.20	2.50

For billing purposes all summer season quantities sold each month in excess of the Tier II quantities shall be billed at the Gas Air-Conditioning rate, and all winter season quantities sold each month in excess of the Tier I quantities shall be billed at the Tier II rate.

RESIDENTIAL AIR-CONDITIONING GAS SERVICE
(Continued)

RATES (Continued)

Upon completion of an application and verification by a state licensed physician, an additional Tier I winter season monthly medical allowance of 25 therms will be provided for hemiplegic/paraplegic/quadruplegic persons, multiple sclerosis/scleroderma patients and persons who are being treated for a life threatening illness and have a compromised immune system who are full-time residents in a household served under this schedule.

If the customer qualifying for the standard medical allowance can demonstrate to the Company's satisfaction that the 25-therm allowance is insufficient to meet the life-support and comfort requirements of the eligible resident, the Company shall make a determination as to the additional quantity required and round such quantity to the next higher 25 therms.

The number of therms shall be determined in accordance with the provisions of Rule No. 2C.

This schedule is applicable only to separately metered, permanent residential customers. Recreational or vacation home customers shall be billed under Schedule No. GS-15. The Company may require customers to complete and file with it an appropriate Declaration of Eligibility for Baseline Rates.

The Company shall differentiate between permanent and other residential customers on the basis of a service and mailing address analysis.

It is the responsibility of the customer to advise the Company within 15 days of any changes in his (or her) residential status.

Minimum Charge:

The minimum charge per meter per month is the basic service charge.

SPECIAL CONDITIONS

Service under this schedule is subject to discontinuance without notice in case of an actual or threatened shortage of natural gas, whether due to insufficient supply or to inadequate transmission or delivery capacity of the facilities of either the Company or its wholesale supplier. The Company will not be liable for damages occasioned by interruption or discontinuance of service supplied under this schedule. Such interruption or discontinuance of service will be made in accordance with Rule No. 21.
